### Going Deeper:

1. A primary rule of hermeneutics is audience relevance. How does that affect our interpretation and application of ancient Scripture, especially prophecy?
2. How do you think the modern Church may be deceived regarding prophecy?

## Newsletters and Directory

Are you a new(ish) attender at Grace, but have been attending regularly? We'd love to add you to our email list and our online directory. Every other week we send an e-newsletter with details on coming events, church family milestones, Sunday School news and more information than can fit in the bulletin.

Our directory is very useful for our leadership and staff to get to know who's at Grace, and for new people to put names to faces. It's on a secure page on our website, accessible with a password (talk to Wendy). We'd love to include you!
